Youth Programs

Children are a big part of our fitness community and the reason we've created so many special programs and facilities just for them. Our entire staff goes out of their way to make children of all ages feel welcome.

Youth Yoga **Free Class**

Youth Intro to Strength Training

Ages 12-16

If your child is interested in strength training for sports, or just for fitness, this class is where they should begin! Not only will they learn proper technique, but they'll start building fitness and strength while learning.

Led by Liberty's certified personal trainers, this class will safely introduce young participants to the fundamental principles of strength training. The goal of the program is to have each participant understand and demonstrate proper technique and form in five foundational movement patterns: Squatting, Lifting, Lunging, Pushing, Pulling. All participants will begin using body weight and will only be progressed to light dumbbells, bands, and medicine balls after demonstrating proper technique.

Class meets in the Performance Training Area. Please bring water and towel.
